

Our after-school program was established to provide supervision for students of St. Joan of Arc Catholic School students after school hours on days when school is in session. Supervisors are certified in the Diocese of Palm Beach Safe Environment Training and have passed a complete criminal background check. The program includes supervised homework time, outdoor play, structured play, and free play activities in a spirit of love and care.

Completing the attached form and returning it to the school office will automatically enroll your child in the program. The total will be added to your FACTS account and payments will be deducted monthly.
