

Dear Parents:

Re: Medications at School

Medication administration is an extremely important issue in the school setting, therefore attached please find a **Diocesan Authorization for Medication Form** for the 2025/2026 school year.

All medicine should be in the original containers. Over-the-counter drugs (like Tylenol) should be in the original containers with the child's name clearly printed on the outside of the container. No medication is to be brought in envelopes or paper bags.

No medication (prescription or over-the-counter), will be administered if the proper form is not on file. See Student Health Matters in the School Handbook for additional information.

Please bring form into Clinic/School Office on or before the first day of school if your child is to have medication/treatment.

If you have any questions regarding this matter, please contact Mrs. Erin Streibig Ext. 2950.

Thank you,

Mrs. Erin Streibig
Clinic Coordinator
